

MERCY ENRICHMENT PROGRAM

MERCY HAVEN, INC.

OUR ENRICHMENT SITE

Located at 104 2nd Avenue, Brentwood NY

*Our home is recessed from the street
and part of two acres of property,
offering a place to walk and rest in nature's beauty*

OUR HOPE

Our hope for this space is steeped in our concern about the ongoing mental health of the community in times of economic and emotional demands.

Our Enrichment programs are offered to those who know their need for quiet time, respite and rejuvenation, and whose values affirm those of Mercy Haven, Inc.

In this place of peace-filled presence, we are confident that through our reflection and conversations, we will truly affect the world in which we live.

Mercy Haven's mission is to acknowledge the dignity and potential of people who are homeless, living with mental illness or living in poverty by providing housing, advocacy, education and life skills development.

We envision communities where diversity and inclusion are valued and individuals reach their full potential.
